Mr. T. E. Siedhoff, P.E.
Manager, Environmental Services
Union Electric
P.O. Box 149
St. Louis, MO 63166

Dear Mr. Siedhoff:

RE: Resource Recovery Certification RR-020 -- Ashley Plant
Classification - R1

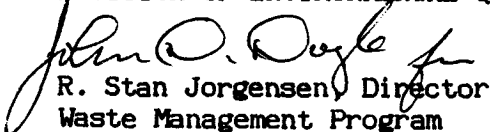

This letter is to inform you that the department has completed the review of your certified resource recovery facility application form. After a review of your application form and the supporting documents the department is pleased to inform you that the Union Electric Company - Ashley Plant has been certified for resource recovery contingent upon the following conditions.

1. The operator shall comply with 10 CSR 25-9.010 and all plans and processes described in the certified resource recovery application.
2. The operator shall burn only those wastes listed in the application and in the amounts specified.
3. The operator shall only burn wastes generated on-site or within the Union Electric Company plants. Any waste oil transported shall be in accordance with 10 CSR 25-6.
4. The monthly reports as required by 10 CSR 25-9.010(1)(D)2. shall indicate both the amount of waste oil stored at the facility at the time of reporting and the amount of waste oil burned in the reporting period.

If you have any questions regarding compliance with your certification, please contact Ms. Jan Skouby of my staff at 314-751-3176.

Sincerely,

DIVISION OF ENVIRONMENTAL QUALITY

R. Stan Jorgensen, Director
Waste Management Program
